SEN2 DfE Statistics

June 2023

This publication provides data on children and young people with an education, health and care (EHC) plan and, historically, for those with a statement of special educational needs (SEN).

Data is presented for both the caseload as at January 2023, for example the number of EHC plans, and for activity during the 2022 calendar year, for example the number of new EHC plans in the calendar year.
