Pharmaceutical Needs Assessment (PNA) 2025

What is a Pharmaceutical Needs Assessment?

Background:

- System wide assessment that Public Health must do every three years
- Joint strategic needs assessment
- Partners include: the Local Pharmacy Committee (LPC), the Integrated Care Board (ICB)
- Aim to align pharmacy provision with community needs.

Healthwatch ERY's involvement:

- Public Engagement Section
- Overview of the interactions that residents have with their pharmacies across the region

PNA 2025 Survey
